To Whom It May Concern:

Steve Smith has worked for the Champlain College bookstore on and off since August of 2001. His friendliness and approachability both on the sales floor and at the register have helped many new and returning students easily find the materials they need for their courses. He has effectively filled-in for full-time staff on numerous occasions and is often one of the first people we contact when we need a little extra help in the store. I have no hesitation in recommending him to you.
